How many boxes are you shipping? _____

Material Description: _____

Weight : _____

I, _____, understand that by signing this packaging slip that I am give Recycling Squared Electronics authorization to process my material. I understand that once the refining process has begun I cannot receive my material back in the original form it was sent in as. I understand that the market changes daily, and that spot price is determined on the day of settlement unless otherwise agreed upon prior to shipping. I understand that once my material is refined or sorted that I will receive a settlement report. If I am not able to be reached within a five month period after my lot has been settled, either by phone or email, that the material will be forfeited.

X _____

Please note that if there is a discrepancy, whether it be in weight or material, we will call or email you before processing your lot. If the material needs to be sent back, you are responsible for the return shipping.
